

# Capability Statement

## Core Capabilities

RJH Air Conditioning & Refrigeration Service, LLC. has 25 years of experience servicing commercial heating, ventilation, air conditioning, refrigeration (HVAC-R), and kitchen cooking equipment. We specialize in strictly government & commercial work:

- Service Division
  - Repair, Preventative Maintenance & Emergency Service on HVAC-R, Kitchen, Scientific & Laboratory Equipment
- Equipment Sales Division
  - Kitchen, Scientific, & Laboratory Equipment
- Equipment Rental Division
  - Kitchen, Mobile Refrigeration, Portable AC Units/Heaters
- Repair Facility Dedicated to Scientific & Laboratory Equipment

## Attributes

**Technician Experience:** The majority of our technicians have Master Licenses and 10+ years of experience, and our Field Supervisors have 15+ years of technical and management experience. Our Journeyman and Apprentice Technicians are factory-trained & have several years of experience working on HVAC-R, kitchen, scientific, and/or laboratory equipment.

**Rapid Response Rate:** RJH's Emergency Response Call Center provides a robust, reliable service management team 24/7/365. All calls are answered by a technical expert. With our HQ in Beltsville, MD and technicians located throughout the DMV area, RJH can quickly dispatch technicians to meet emergency response-time needs for mission-critical equipment.

**Consistency:** RJH's technicians have been with the company for years, and the techs we dispatch to a location have been working there for years. They know the people and protocols there, and they know the equipment and history.
